The UNCW Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at www.uncw.edu/police. Crime statistics represent alleged criminal offenses reported to the UNCW Police Department, other law enforcement agencies and other university officials who have "significant responsibility for student activities." Therefore, the data collected does not necessarily reflect prosecutions or convictions for crime. The statistics presented within this document include information from non-police sources and anonymous reports. The data as presented cannot be directly compared to data from the FBI's Uniform Crime Reporting System, which contains only statistics from police authorities.

The Campus Security Act requires colleges and universities to:

- Publish an annual report every year by October 1 that contains three years of campus crime statistics and certain campus security policy statements;
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement and other university officials who have "significant responsibility for student and campus activities;"
- Provide "timely warning" notices of those crimes that have occurred and pose an ongoing "threat to students and employees;" and
- Disclose in a public crime log "any crime that occurred on campus ... or within the patrol jurisdiction of the campus police or security department."
